

The Ellsworth Public School has been working towards finalizing the Safe Learning Plan for the 2020-2021 school year with guidance from the state. The committee is working closely with the Nobles County Health department to be able to have an

**In-Person-Learning Style for all Pre K - 12 Students to start the year.**

The state has provided three learning models and each of these will be dependent on the number of Covid 19 cases every 14 days within the County.

**Timeline of Important Dates to Come**

**Week of August 17** - District will share the plan

**August 24** - Latest possible date for determining the model to begin the school year - following state statute

**August 31** - Staff in-service begins

**September 8** - First Student Day

**In - Person Learning**

All students will be allowed to be in the building 5 days per week.

**Hybrid Learning**

A combination of in-person and distance learning. Small class sizes may allow for the majority of students to do in-person learning.

**Distance Learning**

This scenario consists of all students learning from home and will be similar to last spring.

ELLSWORTH  
PUBLIC SCHOOL

INDEPENDENT SCHOOL  
DISTRICT 514  
SAFE LEARNING PLAN  
2020-2021 SCHOOL YEAR

We are working to get the plan to parents and families as soon as we can as we know they are looking for the information as we get closer to the start of school.

If we are able to start with an **In-Person Learning Model** we will also offer **Distance Learning** to those families that request Distance Learning.

Our plan(s) will also be designed to move from one model to the next depending what the State and County Leaders decided.

Our main goal is to make sure all families, students and community members feel safe at all times. Our committee is working hard in making safety our number one priority.

Keep watching our Webpage and Facebook page for upcoming updates.
