If self-referral or family member: How did you learn about SWCIL's Ramp Program?

Ramp Assessments will include estimated cost – source of funding to build ramp:

Enter detailed notes here regarding the individual's situation, specific access concerns, whether a physical therapist, physician, or other specialist has or can offer a recommendation on ramp needs, housing situation, etc. Also add further details here as they are learned. Request pictures of the entrance or areas of access concern if possible.
